**RE : *Charon Coins, LLC v. Sonea Griffiths***  
***Case No. 7:21-cv-2777***

Honorable Judge Briccetti,

I write to advise the Court that TD Bank, N.A. ("TD") contacted Plaintiff Charon Coins, LLC, regarding Plaintiff's objections to TD's response to Plaintiff's subpoena *duces tecum*. Because TD has agreed to promptly produce the additional documents sought by Plaintiff, there is no present need to involve the Court in a discovery dispute.

At last week's status conference, Your Honor invited Plaintiff to seek an Order to Show Cause why TD should not be held in contempt, and asked that it be filed no later than this week. In light of TD's response to Plaintiff's communications, Plaintiff will not file a motion at this time.

Respectfully submitted,

Steven M. Oster
